

TRAINING LOCATION

Center for the Childbearing Year
722 Brooks St.
Ann Arbor, MI 48103

PARKING INFORMATION (IMPORTANT)!

We enjoy the charm of being in a residential neighborhood, our building being the sole commercial enterprise. Special consideration for our neighbors is required in order to avoid problems and ensure your car does not get towed. **Please print out these instructions and bring them with you when you first come to the Center.**

- Please do not park in the small lot in front of our building. This lot is reserved for attendees with special needs, moms with breastfeeding infants, the homeowners next door, guest instructors and business owners in the building adjacent to ours.
- Parking is available on the east side of the street only (same side as the Center is on) or on adjacent side streets. Be sure and check for signs that indicate where you cannot park.
- Please be careful not to park too close to our neighbors' driveways. City law states that four feet of curb space should be left open on either side of a driveway. Cars have been ticketed and/or towed in this neighborhood and we would hate for this to happen to you!
- When approaching the Center from the street, please walk through our parking lot rather than our neighbor's driveway (purple house) which is private property.

Thank you for your cooperation towards peaceful neighborhood coexistence!
